

Art Colors

The additive-free pigments of Art Colors Semi Permanent Haircolor provides intensive and unique shades to your hair enabling you to create your own styles. Its exclusive cream formula (peroxide & ammonia-free) protects the hair fiber, making your hair silky and nourished. Direct application (no pre-mix needed) and easy to use. Lasts from 6-12 shampoos. **CAUTION:** This product can cause allergic reactions. A sensibility test is recommended. Do not apply it on eyebrows or eyelashes. Do not apply it if the scalp is irritated or injured. Avoid eye contact. If this happens, wash with abundant water immediately. The product may stain skin, clothes, etc. Wear appropriate gloves. Keep out of reach of children. **SENSIBILITY TEST:** Clean with ethyl alcohol the forearm and apply the semi permanent color. Let it dry. If after 24 hours, there is no itching or blushing then, the product can be applied.

HOW TO USE:

- 1-Bleach the hair to obtain a very light blond. We recommend using Bonmetique's bleaching powder
- 2-Rinse thoroughly to eliminate the remaining bleaching powder.
- 3-Dry with a towel
- 4-Apply Art Colors directly on the bleached hair
- 5-Leave the product from 15-20 minutes
- 6-Rinse until the water is mostly clear. To make your color last longer apply an acid PH Conditioner. We recommend using Bonmetique's Acid Treatment.
