

## HOW TO USE

### Lice Repellent Lotion

Shake before use.

Repellent function:

1. Make sure there is no presence of lice, then spray Natural Hair Lotion from a distance of 15 cm covering the head, including the ears and nape.
2. Brush the hair the usual way.

Removal function:

1. Spray Natural Hair Lotion from a distance of 15 cm covering the head, including the ears and nape. Leave on for 10 minutes.
2. Use a fine-tooth comb.
3. Wash the hair with Natural Hair Shampoo with Quassia Amara. If you consider it necessary, use also Natural Hair Treatment with Quassia Amara.
4. Repeat this treatment daily for a week.
