

Intensive Treatment

Ultra Damaged Hair

Its formula with Keratin acts from the inside out repairing the hair fiber. It generates silkiness providing brightness and flexibility.

APPLY THE PRODUCT ONCE HAIR HAS BEEN WASHED
AND LEAVE IT ON FOR 5 MINUTES. THEN, RINSE

Intensive Treatment

Dry Hair

Intensive treatment developed with Almond Oil gives maximum nutrition to your hair leaving an extreme softness and shine.

AND LEAVE IT ON FOR 5 MINUTES. THEN, RINSE

Intensive Treatment

Colored Hair

Intensive treatment with UV Filter that protects your color from the external agressions such as salt, wind and bleach. Besides, its PH 5.5 formula helps to balance the PH lost after hair treatments (relaxers and hairdyes)
