

## Acide Line Shampoo

Removes the impurities of scalp and it helps stabilize the results of Antioxidant Repairer & Color Fixer With Herbal Extracts and Ceramides.

**How to use:** Apply Shampoo on previously wet hair, massaging it softly. Rinse with plenty warm water. For a better result, it is recommended to use Bonmetique's Acid Treatment.

## Acide Line Treatment

Its formula helps balance the pH lost after chemical treatments (Haircolors, Perms and relaxers).

**How to use:** Ideal for use after a chemical treatment. Apply from length to ends, leave it on for 3 minutes and rinse with warm water. Repeat once or twice a week.
